

## **BOARD MEMBER - FARIZAN D'AVEZAC DE MORAN**

	<p><b>FARIZAN D'AVEZAC DE MORAN</b> Board Member <i>Singapore Green Building Council</i></p> <p>Senior Partner GreenA Consultants Pte Ltd</p>
---	---

Ms. Farizan is the Founder/ Senior Partner at GreenA Consultants, leading the team to work on projects in Asia and Africa. She is a Certified Net Zero Carbon Leader (CNZ), SGBC GMAAP, LEED AP /Faculty, WELL AP, LEED & EDGE Faculty, Living Future AP and EDGE Expert / Faculty. She is the current WorldGBC Asia Pacific Knowledge Contributor.

Farizan strongly advocates for the decarbonisation agenda and has led the delivery of numerous local and regional award-winning Zero and Positive Energy green building projects, such as Singapore Discovery Centre (Positive Energy), DB Schenker RL2 (Positive Energy), DBS Newton Lightyear (Zero Energy), Nee Soon South Community Centre (Zero Energy), Positive Energy Takeda, Zero Energy Keppel Sakra Cogeneration Plant, Positive Energy DSTA Hangar and multiple decarbonisation projects across commercial, industrial and districts /townships.

Farizan also serves as a consultant for multiple development agencies. Some of her work includes being the Lead Consultant for ASEAN Energy and Green Building Codes, UN-Habitat EE Codes in EAC, GIZ Green Building Expert, Global Green Growth Institute Green Airport Consultant and Asia Development Bank.

Trained in Engineering with Master's in Leadership, Innovation and Strategy, Farizan is a go-getter – her will, passion and advocacy for sustainability are demonstrated in her works, which culminated in her conferment of RICS, Regional Winner, Woman of the Build Environment 2024 and BCA-SGBC Green Building Advocate Award 2015. Servant leadership, leading with empathy, pushing innovation in all aspects of sustainability and staying positive is who she is.
