

IMMEDIATE PAST PRESIDENT - LEE ANG SENG

	<p>LEE ANG SENG Immediate Past President <i>Singapore Green Building Council</i></p> <p>Executive Chairman <i>Beca Carter Hollings & Ferner (S.E. Asia) Pte Ltd</i></p>
---	--

Mr Lee Ang Seng currently holds the role of Executive Chairman – Beca Singapore, having helmed the role of Managing Director for 12 years in Beca's consulting business in Singapore and as a member of the Senior Executive with Beca's Group and Beca Asia Holdings Board overseeing the business operations across South-East Asia region.

Ang Seng's key strength is in leadership and strategic business management, in his ability to plan, lead, manage, motivate and influence teams towards a positive outcome on the business and projects, harnessing great relationships with clients as a result. He is a senior yet approachable leader and offers guidance and support for others to reach their career development potential. Many of them have followed in his footsteps to become strong leaders in Beca. In 2018, he led the Beca Singapore team to win the prestigious People Excellence Award given by Enterprise Singapore, a government agency. This is one of the highest accolades to recognize organization with strong people management practices in the business.

He graduated with a Bachelor of Science (Honours) degree and a Master of Business Administration (MBA) degree (UK). He is a Green Mark Accredited Professional (GMAP) and served as the Board Secretary for Singapore Green Building Council (SGBC) from 2019-2021, the first Vice President from 2021-2023, and President for the 2023 to 2025 term of office.
