	<p><b>ROY KHOO</b> Assistant Honorary Treasurer <i>Singapore Green Building Council</i></p> <p>Treasurer / Co-Chair, ESG Committee / Lead, CSR Initiatives <i>Singapore Contractors Association Ltd (SCAL)</i></p>
---	--

Mr. Roy Khoo is the Treasurer of the Singapore Contractors Association Ltd (SCAL) and Co-Chair of the SCAL ESG Committee, where he plays a key role in shaping sustainability strategies for the built environment sector. A strong advocate for green construction, Roy actively drives initiatives that promote sustainable building practices, resource efficiency, and environmental responsibility, aligning industry efforts with national and global ESG goals.

He also leads SCAL’s Corporate Social Responsibility (CSR) initiatives, focusing on impactful programmes that support community engagement, workforce well-being, and industry-wide sustainability efforts.

Beyond SCAL, Roy serves as Director of Kimly Construction Pte Ltd, a homegrown progressive builder in Singapore. He oversees project management, business development, innovation, sustainability, and quality, ensuring that projects integrate cutting-edge solutions while upholding the highest environmental and construction standards.

A passionate sustainability champion, Roy is committed to accelerating the adoption of green building technologies, circular economy principles, and eco-friendly materials. He works closely with industry stakeholders to advocate for policies and practices that drive a low-carbon, resilient, and future-ready construction sector.
